

# How do rules and laws help us?

Presented by: Mohamed Yossry

# Lesson outcomes

- What am I learning?

**You will explore how rules and laws help us.**

- why am I learning it?

**You will learn how rules and laws help groups of people live together.**

- How will I know that I learned it?

**You will list rules and laws that help people stay safe and work together.**

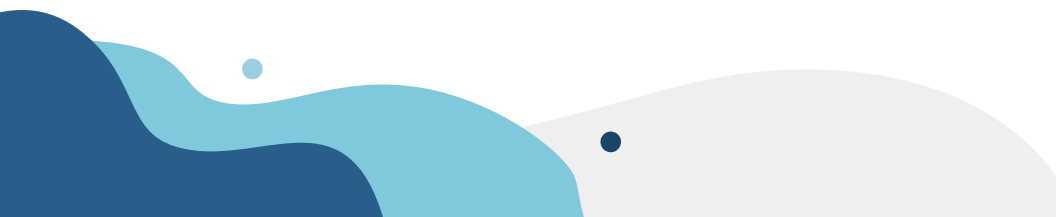

# What are rules?

- Rules tell us what to do.
- Rules help us stay safe.
- Rules help us get along.
- Rules help us have fun.

# • Citizens and rules

Good citizens follow rules.

- **Citizens** are people in a group. **Citizens** work or play together.
  - Students are citizens of a classroom. Students follow class rules.
  - Sharing is an important rule. Sharing helps get everyone a turn.
  - **The rules in your classroom help students learn and work together.**
